Proposal for Youth Dance Sponsorship Program

Submitted to the Moreno Valley City Council

Overview

The No Boundaries Dance Foundation, Inc. is seeking partnership with the Moreno Valley City Council to support a targeted youth enrichment initiative through the arts. This proposal outlines an opportunity for each council member to sponsor one dancer from their district, providing access to high-quality dance education, mentorship, and personal development.

Our goal is simple: remove financial barriers and give deserving youth the opportunity to grow through structured training, discipline, and creative expression.

Program Structure

- **Total Dancers Sponsored:** 5 (one per council district)
- **Sponsorship Per Dancer:** \$1,500
- **Program Duration:** 6 months

Each selected dancer will receive:

- Weekly dance classes (multiple styles as appropriate)
- Personalized coaching and skill development
- Performance opportunities
- Mentorship focused on confidence, discipline, and goal setting

Funding Request

We are requesting:

- **\$1,500 per dancer × 5 dancers = \$7,500 total investment**

These funds will directly cover:

- Tuition and training expenses
- Coaching and instructional support
- Program materials and performance preparation

Community Impact

This program is designed to serve youth who may not otherwise have access to structured arts education. Through this initiative, dancers will:

- Build confidence and self-esteem
- Develop discipline and commitment
- Improve physical and mental well-being
- Engage in a positive, structured environment
- Represent their community through performance

Beyond the individual dancer, this investment strengthens families and contributes to a more connected, engaged community.

Selection Process

Each council member will have the opportunity to:

- Collaborate with the No Boundaries Dance Foundation to identify a deserving participant

Selection will prioritize:

- Financial need
- Commitment and interest in dance
- Potential for growth and positive impact

Accountability & Reporting

The No Boundaries Dance Foundation will provide:

- Progress updates on each sponsored dancer
- Program participation summaries
- End-of-program impact report

Council members will have the opportunity to attend performances and see the direct results of their investment.
